DEFENDANT KEONE JOELY MANOA'S SUPPLEMENTAL EXHIBITS "1"
- "3" IN SUPPORT OF MEMORANDUM IN RESPONSE TO OSC WHY
SUPERVISED RELEASE SHOULD NOT BE REVOKED

Defendant Keone Joely Manoa, through his counsel undersigned, hereby respectfully submits the attached Exhibits "1" - "3" for the Court's consideration and in support of Defendant Manoa's previously filed May 20, 2008 memorandum in response to the order to show cause why his supervised release should not be revoke.

Exhibits "1" and "2" are copies of a letter of accomplishment dated October 12, 2007 and accompanying Certificate Of Merit that Defendant Manoa's received for his successful completion of an "OSHA Lead Abatement Worker Initial Training Course" from September 24 through September 27, 2007.

Exhibit "3" is a copy of an "AHERA Asbestos Contractor/Supervisor Initial Training Certificate" that Defendant Manoa received for his successful completion of the course work from February 12 – 16, 2007.

Defendant Manoa submits the attached Exhibits "1" – "3" to demonstrate to the Court that during the period of his supervised release he was able to undertake and achieve worthwhile accomplishments toward a goal of gainful employment and that he is a person who can benefit from supervised release, and, therefore, he respectfully requests that the Court allow him to immediately enter into The Salvation Army's ARC Program for the reasons set forth in the previously filed May 20, 2008 memorandum in response to the order to show cause why his supervised release should not be revoke.

Dated: Honolulu, Hawai'i, May 21, 2008.
